

St. Paul's Church
'Bring a Refugee Family to Halifax'
Gift/Pledge Form

*As you know, the world is facing one of the worst crises in recent history. Along with many other faith communities here in Nova Scotia, St. Paul's Church has committed itself, through it's Parish Council, to sponsoring a refugee family. Before we can be accepted as an official sponsor, we will need to show that we have raised at least **50%** of the total amount required, i.e., **\$15,000**. **\$5,000** has already been pledged towards our goal, so another **\$10,000** will enable us to apply to sponsor a refugee family.*

*Would you please, either as an individual or a family, help us achieve this goal by making a donation? Cheques should be made payable to **St. Paul's Church Refugee Sponsorship**. Of course, all donations will be tax-deductible. Also, if it helps your budget, your donation can be made in two or three payments.*
